STAYING SAFE ON THE DOORSTEP

TOP TIPS TO HELP KEEP YOUR VOLUNTEERS SAFE DURING THE ELECTION
Never go inside a house, even when invited.
Always stay on the doorstep

Always canvass in groups and never leave someone on their own at a door and out of sight

If someone is aggressive or confrontational, do not engage

Only take essentials with you when canvassing.
Leave any valuables in your car boot or in the office

Ensure that the organiser in the office knows the length of a round so they can check in if you don’t return on time

Always carry a charged mobile phone and have the phone number of at least two fellow canvassers
